In the Vernacular Schools for Boys, 2,181 teachers in 20 Districts desired to be transferred and 546 transfers have been effected.

Revision of the Salary of Teachers of Departmental Vernacular Schools.

112. **MR. G. RAMAN MENON** (*Mavelikara* cum *Kartikapalli*): (*a*) Are the Government aware that the minimum pay and future prospects of teachers in Sirkar Vernacular Schools, especially Primary Schools, are much lower than those of persons with the same general educational qualifications entering the Registration, Excise, Revenue, Anchal and other Departments?

(*b*) Will the Government be pleased to increase the pay of teachers and introduce a time-scale of pay so that the above-said grievance may be redressed?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): (*a*) and (*b*) The scale of pay of teachers in Vernacular Schools was revised as recently as 1922. A further general improvement of the scale will involve heavy charges on general revenues and the Government are reluctantly compelled to defer consideration of the question for the present.

MR. G. RAMAN MENON (*Mavelikara* cum *Kartikapalli*): In view of the fact that there is the balance of about Rs. 3,79,000 in the Budget for the next year, and the fact that the Financial Secretary assures us that the revenues from certain sources will be in a flourishing condition for at least 25 years, will the Government be kind enough to reconsider the matter of giving increase of pay to teachers?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*): Government were aware of the balance of Rs. 3 lakhs and odd at the time this answer was prepared. It was in spite of the balance that the Government said that they "are reluctantly compelled to defer consideration of the question for the present."

113. **MR. K. SIVARAMA PANIKKAR** (*Shertallai*): (1) Are the Government convinced of the genuineness of the grievances of the teachers of Vernacular Schools on account of their low pay?
